

Industrial Services of America announces management contract with Blue Equity

 Theflyonthewall.com – Mon, Apr 1, 2013 8:30 AM EDT

Industrial Services of America announced that it has entered into a management agreement with Louisville-based Blue Equity, LLC. For a 12 month term beginning April 1, Blue Equity will provide management services to Industrial Services of America, including working with ISA’s existing management team to review operations and identify opportunities for growth and profitability. ISA’s Board of Directors considers Blue Equity’s role as a key to ISA’s future plans to develop and improve upon its core business operations, enhance the current platform, secure strategic alliances and to diversify corporate holdings in domestic and international markets.
